Workers' Compensation Commission
Business Meeting Report
November 13, 2012

The following is a summary of the items discussed and actions taken at the SC Workers' Compensation Commission's Business Meeting on November 13, 2012.

R67-213 Official Receipt of Electronic Notification

At the regular Business Meeting on November 13, Commissioners continued discussion on the issue concerning the determination of the actual date service is deemed complete when documents are served electronically. The Commissioners were presented options for consideration. The Commission took no action and carried the matter over to next month's Business Meeting to allow Commissioners additional time to review.

DSIT Contract

The Executive Director presented the proposal to renew the contract between the Commission and DSIT for Server Management and Information Technology Services. The Commission voted to carry the matter over until the December Business Meeting.

Commission 2013 Calendar

The Commission approved the 2013 Calendar. Click here to view the calendar.

Sustainable Financial Resources

The Executive Director briefed the Commission on the staff's research of the Commission's recent trends in revenues and expenses and the continued reduction of the Commission's cash fund balance to provide services. Based on those trends the Commission will not be able to sustain the current level of services after the FY15. Several potential solutions were discussed and the Commission directed the Executive Director to develop a briefing identifying the problem and offering several potential solutions for members of the General Assembly.
