Workers' Compensation Commission

August 2, 2019

We have received an overwhelming response to the upcoming training sessions for the South Carolina Workers' Compensation Commission's new KERMIT (Key Element Reporting Management & Incident Tracking) system.

We'd like to answer some of the questions we have received:

Question: **When and where can I register?**

Answer: On August 19, 2019, we will publish the links for registration on our website: www.wcc.sc.gov. Additionally, we will send out the registration links via email.
Registration will open Tuesday, August 20, 2019 at 10:00 am.

Question: **Will there be a live feed or webinar of the training?**

Answer: Unfortunately, we do not have the technology to stream the events. The training materials will be posted on our website prior to the training sessions. In addition, we provide tutorials on our website prior to the release of the new system.

Question: **Who should attend?**

Answer: Individuals responsible for processing, managing, filing and adjudicating claims in the State Workers' Compensation system; including claim administrators, insurance carriers, legal assistants, attorneys and employers. Anyone that will be filing claims and managing claims on the KERMIT system

Question: **What are the dates and venues for training?**

Answer: September 18 – Columbia- Midlands Technical College/Airport Campus
September 24 - Greenville – Furman University
September 27 – Charleston - The College Center at Trident Technical College
September 30- Columbia – Midlands Technical College/Airport Campus
October 3- Charleston- The College Center at Trident Technical College
October 7- Greenville- Furman University

We hope everyone can attend. If you are registering only for the materials, please note that the materials will be posted on our website. We ask that you register **ONLY** if you can attend one of the sessions; space is limited.

If you have any further questions, please contact Amy Proveaux at aproveaux@wcc.sc.gov
