## Introduction

The South Carolina Workers' Compensation Commission is pleased to welcome you to our new portal, KERMIT (Key Element Reporting Management and Incident Tracking). KERMIT was designed to provide easier access and better service for Claimants, Carriers, Attorneys, Self-Insured and Trading Partners. Parties involved in workers' compensation claims will now be able to submit claims, complete required reports and forms, and pay any applicable fees and fines, electronically.

## Accounts

KERMIT Accounts will be set up using the security of Microsoft Azure Active Directory. Users will create accounts with Microsoft that synchronizes with Active Directory to use the password that is associated with the email address of the user. **Attorney accounts will be set up through the South Carolina Supreme Court AIS system and will use the attorney's BAR ID and password for the Supreme Court's system to access KERMIT.**

If you haven't already registered and need to, please read the registration documentation carefully before registering. This documentation is provided within KERMIT when you click the Register button.

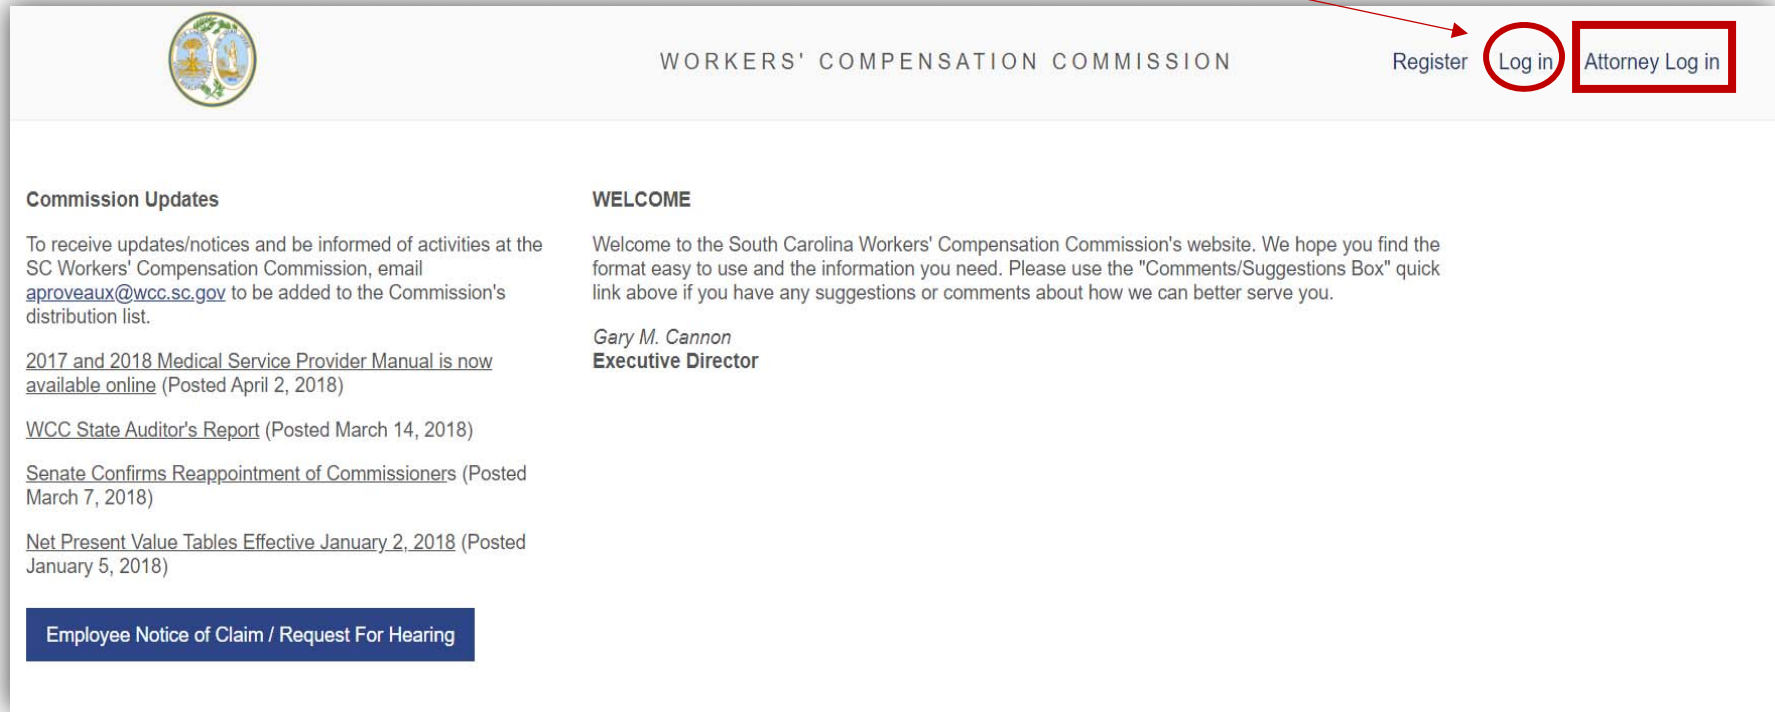

## Roles

Once you are registered, you will be given a role or roles by your Organizational Administrator. Roles will be dependent upon the party a user is representing. For example, an Attorney for a Carrier will not have the option to file a Form 50 - Request for Hearing while an Attorney for a Claimant will not have the option to file a Form 21 - Request for Hearing. In addition, a user who is in a paralegal role, will not have the ability to sign legal submissions. The paralegal can create a filing that will fall into their attorney's account where he/she will be able to complete and submit a submission after using an electronic signature.

To learn more about the roles please review the Organization Roles documentation here: <https://wcc.sc.gov/it-kermit-system-updates>

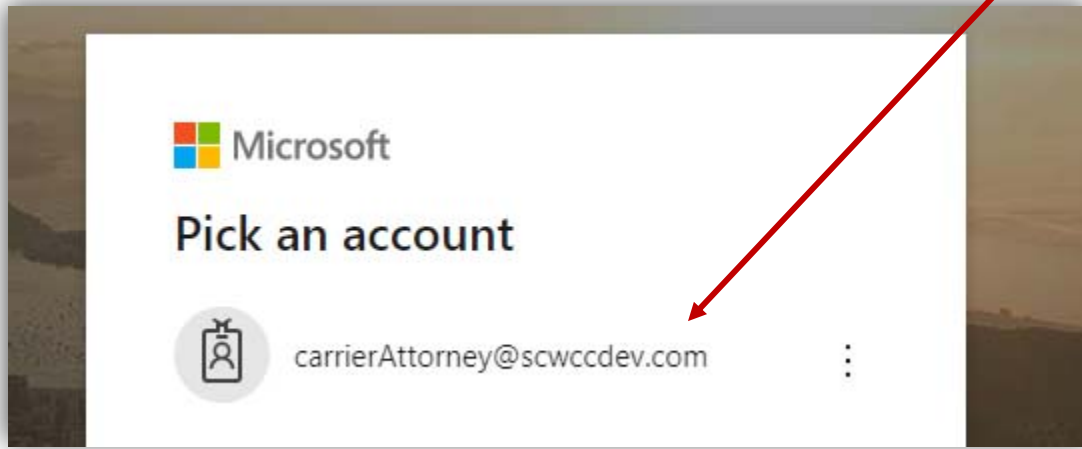

## Logging In

Once a user has registered, they will be brought back to the main screen where they can “Log in”. Attorney’s will use the Attorney Log in option while all other users will use the regular Log in option.

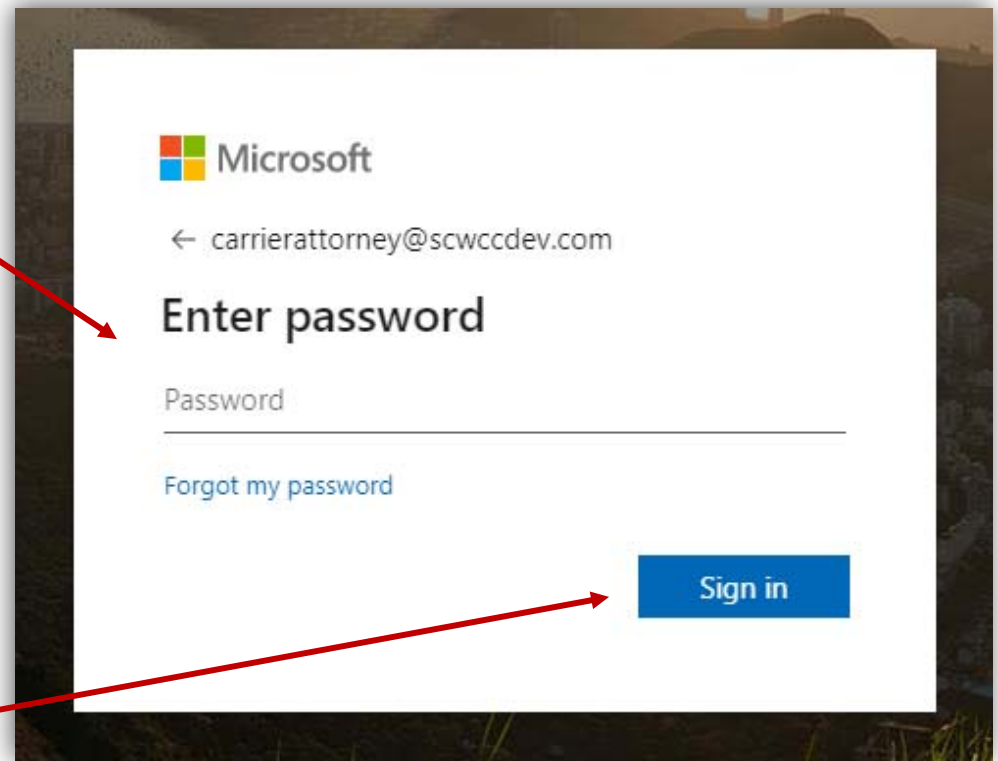

The screenshot shows the top navigation bar of the Workers' Compensation Commission website. The header includes the commission's logo on the left, the text "WORKERS' COMPENSATION COMMISSION" in the center, and three links on the right: "Register", "Log in", and "Attorney Log in". The "Log in" link is circled in red, and the "Attorney Log in" link is enclosed in a red rectangular box. Two red arrows originate from the text above: one points to the "Log in" link, and the other points to the "Attorney Log in" link. Below the navigation bar, the page content is divided into two columns. The left column is titled "Commission Updates" and contains several links to recent news items, such as "2017 and 2018 Medical Service Provider Manual is now available online" and "WCC State Auditor's Report". The right column is titled "WELCOME" and features a message from Gary M. Cannon, Executive Director, along with a blue button labeled "Employee Notice of Claim / Request For Hearing".

After choosing Log in, users will be prompted to choose or enter their email account that is associated with Microsoft.

Next, users will enter the password that is associated with their Microsoft email account.

Then the user can click "Sign in".

## Landing Page

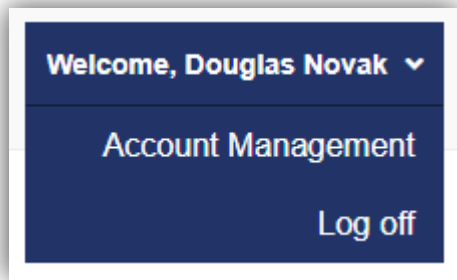

Once a user is logged in, they will be able to see the main landing page. Here users will be able to navigate their way throughout KERMIT. While in KERMIT, if a user ever wants to get back to the landing page, they can click the seal, as it acts as a “home” button.

The screenshot displays the user interface of the KERMIT system. At the top, the SCWCC seal is positioned on the left, the text "WORKERS' COMPENSATION COMMISSION" is centered, and a user greeting "Welcome, Douglas Novak" is on the right. A sidebar on the left lists "SCWCC Tasks" including "Notifications", "My Work", "File a Claim with Representation", "Submit Letter of Representation", and "Calendar". The main area features "My Work" and "Claims" tabs, with the "SUBMISSIONS" section containing a table of entries. The table has columns for "Submission Type", "Claimant Name", "Employer Name", "Submission Date", "Claim #", and "Status". One entry is visible: "Form 50" for "WAL-MART ASSOCIATES INC" submitted on "10/15/2019" with claim number "201910154230". Below the table are pagination controls showing "Page size: 10" and "1 items in 1 pages". A "Help" link is located in the top right corner. Two red arrows are overlaid on the image: one points from the seal to the text above, and another points from the "Help" link to the text below.

If a user has any questions about navigating, or submitting work through KERMIT, they can click on the Help link that is found on every page of KERMIT.

# Account Management

In the top right corner of the landing page, users can view their account settings by clicking the Welcome drop-down.

Clicking on the user's name above, will provide the drop down shown, on the left.

If Account Management is selected, the user will be able to access their Profile, Organization information, and Notification settings.

## My Work

The My Work tab is always shown on the front of the landing page. All items that are listed in My Work are items that need additional actions taken by the user before being submitted to the Commission. For example, the view of the My Work tab below shows 9 items listed in the “Awaiting Certification of Service” status. This user can open any of the items by double clicking the row of the listing to complete service.

If the user knows the file or submission that needs be completed, they can use any of the search fields shown below. Simply type the criteria that needs to be located and hit the return button on the keyboard. (These type of search fields will be found throughout KERMIT.)

Users may also increase the number of items that show on a page by selecting 10, 20, or 50, at the bottom of the page.

# Claims

Right next to the My Work tab is the Claims tab. This tab will show every claim that is associated with the user. In addition to the search fields, the user can search by Open claims, Closed claims, or All claims, by clicking the drop-down on the far right.

A user may open the claim by double clicking anywhere on the row of the claim they wish to open.

Claim Id	Claimant	Employer	Date Of Injury	Claim Status

## Filings

The Filings tab serves 2 functions. The first function is the top drop-down, “Select Available Filings” that allows the user to file Forms and Pleadings. When this drop-down is selected, only filings that can be filed by the user’s role and filings that directly correlate with the current status of the claim will be available. For example, a Claimant’s attorney will not be able to file a Form 21; or a Form 51 will not be available to be filed, if a Form 50 has not been filed.

The screenshot shows the 'Filings' tab selected in the left sidebar. The main content area displays a table of filings for claim file number 201910264469. A dropdown menu is open, showing 'Select Available Filings' circled in red. The table below lists the following filings:

Form Name	Date
Form 50	10/26/2019
First Report of Injury - Web Submitted	10/26/2019
Motion to Compel	11/22/2019

Navigation controls at the bottom of the table include a page number '1' and a page size of '10'.

This close-up shows the dropdown menu with the following options:

- Select Available Filings
- Consent Order
- Temporary Compensation - Form 15
- Temporary Compensation Suspension - Form 15 Section II
- Motion
- Receipt of Compensation - Form 17
- Request a hearing
- Settlement
- Wage Statement - Form 20

When the user selects the Form or Pleading, they would like to file, a second page will open to guide the user through filling out the proper data that applies to the submission.

At the top of each submission, the user will see general claim information along with expandable areas that the user can open by clicking on the Section Title. (This is the same information that is currently at the top of all the Commission's paper forms.)

## Case Parties

The Case Parties tab is where the user can find all case parties and the associated contact information. By clicking on the row for each case party, the contact information will populate on the right. If there is a Claim Administrator associated with the claim, that contact information will also be found on this tab.

The screenshot displays a web interface for managing claims. At the top, there are tabs for 'My Work' and 'Claims', with the claim number '201910264469' selected. A sidebar on the left contains navigation options: 'Claim Synopsis', 'Documents', 'Filings', 'Case Parties' (highlighted with a red circle), 'Judicial', 'Compensation', 'Notes', and 'Fees and Fines'. The main content area shows the claim details: 'CLAIM FILE NUMBER: 201910264469 ACTIVE'. Below this is a table of associated parties:

Name	Associated Party
Samantha Joe	Claimant
CONTINENTAL CASUALTY CO	Carrier
BURGESS USA TRAINING LLC	Employer
Joshua A. Bailey	Claimant Attorney
Kimberly L. Smith	Carrier Attorney

A red arrow points from the 'Samantha Joe' row to the contact information on the right. The contact details are:

**Name:** Samantha Joe  
**Street Address:** 134 Lake View Lane  
**City, State, Zip:** Lexington SC 29072  
**Phone:** 8036655999  
**Email:**

## Judicial

The Judicial Tab consists of any Judicial Action Request, “JAR”, that has occurred on a claim. A JAR is created for every initiating pleading. Users can navigate to the Judicial tab to see the status of any JAR. If a user needs to respond to a pleading that created a JAR, a “Respond” link will be available.

The screenshot shows a web application interface for a claims management system. At the top, there are tabs for 'My Work' and 'Claims', with a dropdown menu showing the claim number '201910244346'. A sidebar on the left contains navigation options: 'Claim Synopsis', 'Documents', 'Filings', 'Case Parties', 'Judicial', 'Compensation', 'Notes', and 'Fees and Fines'. The 'Judicial' tab is selected. The main content area displays a table titled 'CLAIM FILE NUMBER #' with the subtitle '2 JAR(s) ready for review.' The table has columns for 'JAR Id', 'Created On', 'Pleading Type', 'Submitter', 'Status', 'Assignment', and 'Commissioner'. Two rows of data are shown. The first row has a 'Respond' link in the 'Commissioner' column, which is highlighted by a red arrow.

JAR Id	Created On	Pleading Type	Submitter	Status	Assignment	Commissioner
1362441	10/25/2019	NoticeofClaimOrRequestforHearing	Joshua Bailey	Awaiting Response		<a href="#">Respond</a>
1362448	10/29/2019	ClaimWithRepresentation	Joshua Bailey	Awaiting Response		

If a user would like to see a summary of the pleadings, they can click anywhere on the row for that JAR to view the JAR Synopsis.

JAR Id	Created On	Pleading Type	Submitter	Status	Assignment	Commissioner

	View Documentation	11/13/2019	John Carrierson	10/31/2019	Claimant has returned to work at least 15 days and no temporary partial compensation is due.				

Users can click "View Documentation" if they would like to open the submission from the Compensation tab.

## Notes

The Notes tab can be used by any party to a claim. All notes entered on this tab will be able to be viewed by every party to the claim, including the Commission. If a party needs to add a note or would like to upload correspondence to the claim, they can do so by clicking the “ADD NOTE” button.

Each note can be expanded for more detailed information by clicking the triangle on the far left of the row.

Users will also have the option to attach PDF documents and view PDF documents in notes.

## Fees and Fines

The Fees and Fines tab can be used to view the record of fees and fines that have occurred on a claim. Users can choose to only see the fees and fines they are responsible for, or the user can see all fees and fines associated with a claim by clicking the “SHOW ALL” button.

CLAIM FILE NUMBER: 20190929396

SHOW ALL

<input type="checkbox"/>									

No records to display.

**Number of Charges:** 0      **Total Charge Amount:** 0      **Total Paid Amount:** 0      **Total Adjustment Amount:** 0      **Total Amount Due:** 0

Page size: 10      0 items in 1 pages

Users can also pay a fee or fine associated with a claim by checking the “Pay Charge” box.

## SCWCC Tasks

The SCWCC Tasks box is another area of the landing page that holds more great features of KERMIT. The options that are listed under SCWCC Tasks is based on role and will vary from user to user. For example, Carriers and Claim Administrators have the option to “File First Report of Injury” (12A) while Claimant Attorneys have the option to “File a Claim with Representation” (Form 50) in order to initiate a claim from either side. Another example is, if the user has the Financial Role (ability to pay fees and fines) they will have “Outstanding Balance” as an option under SCWCC Tasks.

The screenshot shows the SCWCC Tasks menu on the left, which is circled in red. The menu items are: Notifications, My Work, Submit Letter of Representation, Outstanding Balance, and Calendar. The main content area shows the SUBMISSIONS table with the following data:

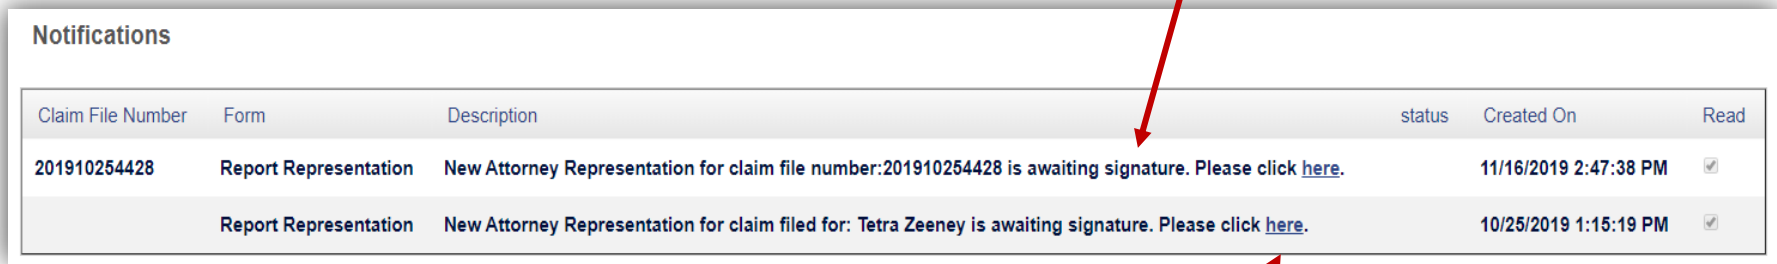

Submission Type	Claimant Name	Employer Name	Submission Date	Claim #
Form 21			10/28/2019	
Form 51 - Response to Hearing			11/01/2019	
Form 51 - Response to Hearing			11/01/2019	
Form 51 - Response to Hearing	Andrew Blue	LARRY HARDEES AUTOMOTIVE SERVICE CENTER	11/07/2019	201910214264

Users can access any feature by clicking on the title.

## Notifications

Any time activity occurs on a claim, a Notification will be sent to all parties of a Claim. Notifications will also be sent between paralegals and attorneys when an action needs to be taken by the party. For example, if a paralegal has created a Form 50 that needs to be signed by an attorney, that attorney will receive a Notification that he/she has a Form 50 awaiting signature.

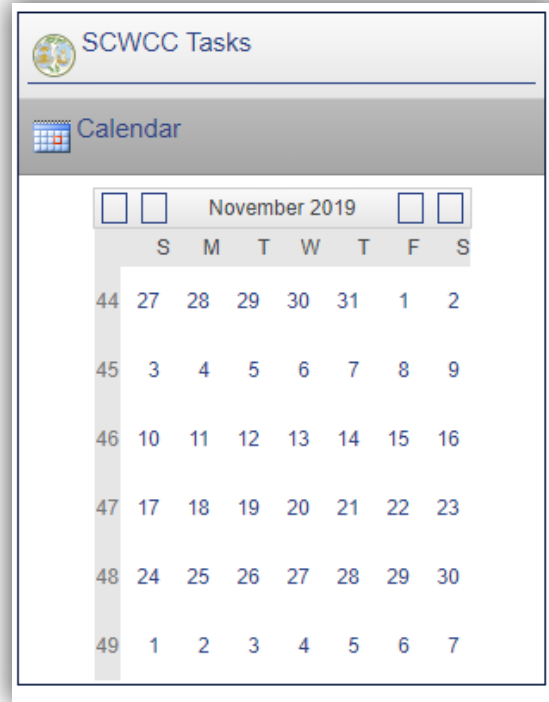

Claim File Number	Form	Description	status	Created On	Read
201910254428	Report Representation	New Attorney Representation for claim file number:201910254428 is awaiting signature. Please click <a href="#">here</a> .		11/16/2019 2:47:38 PM	<input checked="" type="checkbox"/>
	Report Representation	New Attorney Representation for claim filed for: Tetra Zeeney is awaiting signature. Please click <a href="#">here</a> .		10/25/2019 1:15:19 PM	<input checked="" type="checkbox"/>

Each user can access the Form or Pleading they need to act on by clicking the “here” hyperlink. By clicking this link, KERMIT will take the user directly to the action that needs to be completed. In addition to having the Notification appear in the user’s Notification box of KERMIT, the user will also receive an email that there is a Notification available.

## Calendar

The calendar feature will allow users to see dates for hearings and allow attorneys to enter protection.

In order to add protection, the user can select the date they wish to be protected on and it will open a day/week/month/multi-day view. Users will be able to add a protection period from hours, to days, at a time.

## Electronic Signature

When electronically signing documents, the user will check the confirmation box, type their name, and hit tab to have the system populate the Signature Time Stamp.

**ELECTRONIC SIGNATURE \***

**Customer Information**

Users can select Credit Card or Electronic Check from the Payment Type drop-down.

### Need Help?

Select Payment Method and Continue to proceed with payment.

When the user selects between Credit Card or Electronic check, SC.GOV’s surcharge will be added to the total. For Credit/Debit Card Transactions, SC.GOV charges and retains a \$1.00 portal fee plus a 1.7% merchant fee. On all ACH/Electronic Check transactions, SC.GOV charges and retains a flat rate convenience fee of \$2.50.

**As we move forward, we will be adding more features and functionality.  
When the information is available, we will release new documentation.**

**Thank you for your patience and support during this exciting time!**
