Commission Amends Fee Schedule for Ambulatory Surgery Centers Surgically Implanted Devices

At the Business Meeting on April 15, 2013, the Commission approved amending the fee schedule for Ambulatory Surgery Centers to support a cost for certain surgically implanted devices. Following a two year study, the language of this amendment was drafted and recommended for Commission approval by the Surgical Implant Advisory Committee.

The effective date of this amendment is April 15, 2013. Please click [here](#) to view the amendment.
