Payment Allowance Limits for Medicare Part B Drugs

Effective October 1, 2008 through December 31, 2008

Note 1: Payment allowance limits subject to the ASP methodology are based on 2Q08 ASP data.

Note 2: The absence or presence of a HCPCS code and the payment allowance limits in this table does not indicate Medicare coverage of the drug. Similarly, the inclusion of a payment allowance limit within a specific column does not indicate Medicare coverage of the drug in that specific category. These determinations shall be made by the local Medicare contractor processing the claim.
