**Payment Allowance Limits for Medicare Part B Drugs**

**Effective January 1, 2009 through March 31, 2009**

**Note 1:** Payment allowance limits subject to the ASP methodology are based on 3Q08 ASP data.

**Note 2:** The absence or presence of a HCPCS code and the payment allowance limits in this table does not indicate Medicare coverage of the drug. Similarly, the inclusion of a payment allowance limit within a specific column does not indicate Medicare coverage of the drug in that specific category. These determinations shall be made by the local Medicare contractor processing the claim.
