### **Pharmacy Fee Schedule Advisory Committee Makes Recommendation to Commission**

At the Business Meeting on November 14, 2011, Hal Willson, Chairman of the Pharmacy Fee Schedule Advisory Committee, presented the Committee's recommendation. The Committee was created by the Commission on March 21, 2011 to develop a strategy for addressing the presence of "repackaged" medication in the workers' compensation system. The Commission took no action on the recommendation and carried the matter over to the Business Meeting on December 19.
