## *Workers' Compensation Commission*

### Vacancy Announcement Claims Director

November 7, 2013

The S.C. Workers' Compensation Commission is seeking qualified individuals for the position of Claims Director (Program Manager II). The position's responsibilities include overseeing the functions of the Claims Department, directing departmental staff, and establishing methods and performance standards to improve the efficiency and effectiveness of the claims management system to ensure accomplishment of the departmental goals and objectives in a manner consistent with the mission of the Commission. We are seeking an individual with proven leadership and communication skills in change management, quality improvement and organizational development. Preferred qualifications include a Master of Public Administration or Master of Business Administration degree and 10 ten years' experience in the workers' compensation insurance industry; a minimum of 5 years in administrative, management and leadership positions; and a working knowledge of current IAIABC EDI standards.
