Workers' Compensation Commission

July 21, 2015

Ms. Sandee Sprang Joins the Commission as the Director of Information Technology

The South Carolina Workers' Compensation Commission welcomes Ms. Sandee Sprang as the Director of Information Technology. Ms. Sprang comes to the Commission having worked with the South Carolina Attorney General's Office as Director of Information Technology since 1995.

Ms. Sprang will be heading the Commission's Information Technology Department to further integrate information technology applications and information security into all aspects of the Commission's business processes. She is a graduate of Lander College and begins employment with the Commission on August 17.

Gary M. Cannon
