## Workers' Compensation Commission

### ADVISORY NOTICE

#### Amendment to S.C. Code Ann. Regs. 67-610

June 2, 2023

In response to stakeholder comments, the Commission streamlined and clarified the existing process by which litigants before the Commission amend pleadings and add or remove parties to a claim. The Amendments to S.C. Code Ann. Regs. 67-610 have been approved by the legislature and have been published in the State Register Volume 46, Issue No. 5, eff May 26, 2023.

The amended regulation allows for the addition or removal of a party by amending a Form 21, 50, or 52 once as a matter of right and provides for 30 days to file a response to the amended pleading. The regulation also changes the time period to file amended forms and provides additional procedure relating to amended forms filed after a hearing has been scheduled.

The amended regulation is effective as of May 26, 2023.
