Workers' Compensation Commission

The South Carolina Workers' Compensation Commission is pleased to announce the next phase of our Legacy Modernization Program!

The new eFile and ePay enhancements are now available for external stakeholders. The new eFile and ePay options provide easier access and better service for Claimants, Carriers, Attorneys, Self-Insured Employers and Trading Partners. These enhancements allow the parties involved in workers' compensation claims to submit forms and pay the applicable fees and fines electronically. You will not need to re-register or create a new account to utilize this option.

The new eFile and ePay enhancements are available on the South Carolina Workers' Compensation Commission's website via the [Forms Page](#).

Virtual trainings will be available during the following dates and times to introduce you to the system and answer any questions you may have:

- Thursday, February 22, 2024 from 2:00 p.m. until 3:00 p.m.
- Wednesday, February 28, 2024 from 10:00 a.m. until 11:00 a.m.
- Wednesday, March 6, 2024 from 10:00 a.m. until 11:00 a.m.

Please email the Workers' Compensation Commission's IT Team (support@wccassist.freshdesk.com) to receive a calendar invite to attend.

Additional information will be provided as an Advisory on the Workers' Compensation Commission's website by Thursday, February 22, 2024.
