The South Carolina Workers' Compensation Commission congratulates Mr. Duane Earles on achieving 50 years of state service with the Commission.

Mr. Earles began his employment with the Commission in 1974. Through the years he has held multiple roles including Applications Analyst, Program Manager I, and, more recently, Business Analyst in the Commission's IT Department. He also served as a Compliance Officer and Director of Coverage and Compliance in the Insurance and Medical Services Division and was eventually promoted to more comprehensive roles as an Administrative Manager I, the Commission's Director of Administrative Services, Director of Information Resource Management, and Interim Executive Director.

Over the past 50 years, Mr. Earles has cultivated an unparalleled knowledge and understanding of the South Carolina Workers' Compensation System. His wealth of experience and institutional knowledge spanning multiple departments and divisions has made him a cornerstone of the Commission.
