Workers' Compensation Commission

ADVISORY NOTICE

Amendment to the Commission's Translator Policy

July 25, 2023

During the July 17, 2023 Business Meeting, the Commission unanimously adopted an amendment to its Advisory Guidelines for the Use of Translators/Interpreters. This amendment adds a new Section 7 to the guidelines encouraging the parties to notify the translator or interpreter as soon as possible regarding any cancellations of services and to independently resolve any fees that may be due as a result of the cancellation according to their independent agreements. This is consistent with the South Carolina Court Administration's updated Court Interpreter Cancellation Policy.

The Commission's amended advisory guidelines are effective as of July 17, 2023.

Gary M Cannon
Executive Director
